WHAT EVERYONE IS SAYING ABOUT WOOF PACK

We absolutely LOVE Woof Pack!!! We are those crazy dog people about our 3 year old black lab mix named Wally. I was very picky when we moved to Bristol about where to take him. I had found no where else I felt comfortable with both the facility and staff until I heard about The Woof Pack. They have packages which make services very affordable. The entire staff are so wonderful and sweet to Wally. He starts crying in excitement when he sees we are turning onto Cross St. to go there for daycare. The report cards they send with pictures and comments are the highlight of my day (besides picking Wally up)! If you want the absolute best for your dog The Woof Pack is hands down the place. I am not the type who usually reviews things on Facebook, but that is honestly how awesome I think everyone at Woof Pack is.
