

Our Philosophy...

Providing a safe, natural, cage free, park-like social setting and "completely awesome" playful and fun experience for your pets.

Unique interaction by trained and qualified staff members with an emphasis on safety and security in a structured environment.

A holistic approach to diet and nutrition. Only natural ingredient foods absent of recalls supported. The food also contains beneficial minerals and vitamins.

Supporting local and domestic small businesses providing unique, quality pet accessories.

Pack members required to meet the following:

- Be current with Rabies, Bordetella and DHPP vaccines & negative fecal results.
- Pass temperament testing
