

LOCATION CONTRACT

I, as the owner or the legally authorised representative or lawful tenant of the property located at (hereafter the “subject property”), and for the period of time from to, hereby grant to SKYBOTS (hereafter the “photographer/filmmaker”, and his/her/their agents and/or assigns, my expressed and complete authorisation to create and use the content derived from any aerial and/or photography depicting the subject property, in any media, and for any lawful purpose. For purposes of this document, such authorisation shall hereafter be referred to as the “Release”.

Such uses for which I am granting my expressed authorisation to the photographer/filmmaker to use the images secured may include, among other things, and without limitation, advertising, promotion, marketing and packaging of the information obtained, and for any product or service. I hereby agree that the content obtained from these efforts may be combined with other lawful content, text and graphics, which may then be cropped, altered or modified.

I hereby agree that all rights to the content derived from the photographer/filmmaker, or their agents/assigns, shall belong solely and exclusively to the photographer/filmmaker, and I agree to make no legal or other claim against them after signing this Release for any work performed on the property which is both lawful and contemplated by this Release.

I hereby acknowledge and agree that I have received adequate and lawful consideration for the rights I have granted in this Release, and I further acknowledge and agree that I have no further rights to any additional consideration, claim or accounting whatsoever.

I further acknowledge and agree that this Release is binding upon my heirs (if applicable), successors or assigns, or any other person claiming an interest in the subject property. I agree that this Release, once executed, is irrevocable and perpetual, and will be governed by the laws of the state where the filmmaker/photographer resides.

It is hereby agreed that my personal information will not be made publicly available, but may

only be used directly in relation to the licensing of the relevant content, where necessary (e.g. to defend claims, protect rights or notify trade unions) and may be retained as long as necessary to fulfill this purpose, including being shared with sub-licensees/assignees of the photographer/filmmaker and transferred to countries with differing data protection and privacy laws where it may be stored, accessed and used.
