

Mr. Garfield Griffiths

Chairman, Technical Commission

As an energetic British Race Director now based in the United States, Garfield has vast experience managing every aspect of OCR and non-OCR Race events from conceptualization to implementation. His experience in event marketing, production, and operations began in the music and hospitality industry where he worked with multiple nightclubs and music festivals (including the renowned Ultra Music Festival) in the USA and throughout Europe.

Since transitioning over to sporting events, Garfield has managed events and operations for Spartan Race, the Adventurey LLC, OCR World Championships, Savage Race, Battlefrog, Bonefrog and many other OCR brands. He also completely designed and activated the obstacle race portion of the 2017 Crossfit Games (World championships).
