

**Mr. Jack Donenfeld**  
*Chairman, Ethics Committee*  
*General Counsel*

Jack A. Donenfeld has been practicing law for over 38 years and has a diverse background that provide a unique approach to legal matters. In addition to his legal skills, Jack draw on businesses and real estate investment, and working in public and private businesses and in government to bring particularly broad and knowledgeable perspectives to matters. This wealth of professional and business experience him to identify and resolve issues before they become obstacles and to provide truly strategic counsel throughout the course of an engagement.

Jack is a passionate athlete who embraces every opportunity to hike, bike and ski in his backyard playground in the Colorado Rockies. He has been involved with Obstacle Sports since 2014, including as an observer at the world's first obstacle course race with laser shooting in May 2015.
