New Business

Election

- Kevin Service & Cindy Rapp are working diligently on voting and lines have been long so far. Thank you for your service!!
- We had 264 slots to fill for all the voting shifts. Amanda will be doing back up for Cindy while she is on vacation.

Signs Update

- Coordinating sign placement for voting stations. Contact Suzanne if you want your signs placed at polling locations.

Data Development Update

- Having the headquarters has really helped with visibility and recruitment of volunteers.
- In May we had 30 volunteers, we are now up to 98 volunteers. Not all of them are active, but about half of them have attended some volunteer events. We are able to staff the headquarters each day.
- Focusing on lit drops between now and the election. We have distributed 7500 fliers so far and have 2500 more on order.
- Learned how to use google voice to text voters. Texting voters in remote areas.
- We bought democratic email addresses with information on where to vote and candidate information. We also sent emails asking for donations.

Events

- Oct 26th we will be in the Greenwood Halloween parade at 5pm.
- Social events will start over the winter months. TBD
- We are starting a monthly Art class on the third Tuesday of the month (6-8pm) lead by local Democratic artists. The event will be called Arts Liberally and will run over the winter months and feature a different artist and medium each month. Keep an eye out for our first event in November.
