## TPC SAWGRASS - STADIUM COURSE

TPC Sawgrass was built in 1980 to be the permanent home of THE PLAYERS Championship. As the first true Stadium Course, it was designed to improve the overall on-site fan experience.

World-renowned golf course architect Pete Dye, created a course design that favored no particular style of play, resulting in a truly balanced layout. The signature island green on the par-3, 17th hole is one of the most recognized in golf and the course is consistently named among the best in the world.

# HOST GOLF COURSE

A wide-angle photograph of a golf course. In the foreground, there is a lush green fairway with a wooden bridge crossing a water hazard. The bridge has a series of vertical posts and a curved top. To the left of the bridge, there are tall, thin grasses. In the background, there is a dense forest of tall trees, and a white flag is visible on a green in the distance.

## DYE'S VALLEY COURSE

Set within the iconic grounds of TPC Sawgrass, Dye's Valley Course offers a championship-level experience that blends beauty, strategy, and playability. Designed by Pete Dye, Bobby Weed, and Jerry Pate, the course features undulating fairways, bold bunkering, and water on nearly every hole—demanding precision while rewarding creativity.

With pristine conditioning and a setting that embodies the best of Florida golf, Dye's Valley provides the perfect stage for competition, camaraderie, and unforgettable tournament moments.
