

# Welcome to Resteasy Farmstay

This booklet serves as a guide which includes house rules, contacts, and things to explore within the region.

We hope you enjoy your stay!

## About Us

G'day, We're Mitch & Belle. We came to the Mudgee Region in 2018 with a vision and dream in mind, to create the perfect place for people to escape to to unwind, relax and reset.

Before moving to Mudgee we where based in the heart of Sydney, working long hours and trying to balance our time, careers and our relationship. We use to seek out rural getaways in search of tranquility and space to allow us to disconnect and reconnect with each other and ourselves. This was our inspiration for Resteasay Farmstay, to create that exact place we use to want to escape too.

We truly hope you enjoy your stay here with us! If we can help make your stay more comfortable please reach out, we are here to help.
