

Tennessee Department of Education
PARENTAL NOTIFICATION
Under the Elementary and Secondary Education Act (ESEA)

The Elementary and Secondary Education Act (ESEA) makes it clear that Congress expects Local Educational Agencies (LEAs) and schools receiving federal funds to ensure that parents are actively involved and knowledgeable about their schools and their children's education. The law requires schools to give parents many different kinds of information and notices in a uniform and understandable format and, to the extent practicable, in a language that the parents can understand. Listed below are some of these required notices that must be made to parents by school districts or individual public schools.

Written complaint procedures: LEAs disseminate free of charge to parents of students, and to appropriate private school officials or representatives, adequate information about the State Educational Agency's (SEA) written complaint procedures for resolving issues of violation(s) of a Federal statute or regulation that applies to Title I, Part A programs. *[34 CFR §200.11(d)]*

Teacher qualifications: At the beginning of each school year, a district that receives Title I funds must notify parents that they may request information regarding the professional qualifications of their children's classroom teachers. If a parent requests the information, it must include at least:

- ✓ whether the teacher has met state qualifications and licensing criteria for the grade levels and subject areas taught;
- ✓ whether the teacher is teaching under emergency or other provisional status;
- ✓ the baccalaureate degree major of the teacher; and
- ✓ any other graduate certification or degree held by the teacher and the field of discipline of the certification or degree.

The information must also disclose whether the child is provided services by paraprofessionals, and if so, their qualifications. *[20 U.S.C. §6311(h)(6)]*

Title III requires that each eligible entity receiving a subgrant under §3114 shall include in its plan a certification that all teachers in any language instruction educational program for limited English proficient children that is, or will be, funded under this part are fluent in English and any other language used for instruction, including having written and oral communication skills. *[ESEA Title III, Part A, §3116(c)]*

Non-highly qualified teachers: A Title I school shall provide each individual parent timely notice that the parent's child has been assigned, or has been taught for four or more consecutive weeks, by a teacher who is not highly qualified. *[20 U.S.C. §6311(h)(6)(B)] [ESEA Title I, Part A, §1111(h)(6)(A) and (h)(6)(B)(ii)]*

Student privacy: Districts must give parents annual notice at the beginning of the school year of the specific or approximate dates during the school year when the following activities are scheduled or expected to be scheduled:

- ✓ activities involving the collection, disclosure or use of personal student information for the purpose of marketing or selling that information;
- ✓ administration of surveys containing request for certain types of sensitive information;
- ✓ any non-emergency, invasive physical examination that is required as a condition of attendance, administered by the school, scheduled in advance and not necessary to protect the immediate health and safety of student.

A district must develop and adopt policies regarding the rights of parents to inspect:

- ✓ third party surveys before they are administered or distributed to students;
- ✓ measures to protect student privacy when surveys ask for certain sensitive information;
- ✓ parental right to inspect any instructional materials;
- ✓ administration of physical examinations or screening of students;
- ✓ collection, disclosure or use of personal information from students for the purpose of marketing or selling that information; and
- ✓ the parental right to inspect any instrument used to collect personal information before it is distributed to students.

Districts must give parents annual notice of an adoption or continued use of such policies and within a reasonable period of time after any substantive change in such policies. [20 U.S.C. §1232h(c)(2)] [ESEA Title II, Part F, §1061(c)]

Public release of student directory information: Under the Family Education Rights and Privacy Act (FERPA), an LEA must provide notice to parents of the types of student information that it releases publicly. This type of student information, commonly referred to as “directory information,” includes such items as names, addresses and telephone numbers and is information generally not considered harmful or an invasion of privacy if disclosed. The notice must include an explanation of a parent’s right to request that the information not be disclosed without prior written consent.

Additionally, §9528 requires that parents be notified that the school routinely discloses names, addresses and telephone numbers to military recruiters upon request, subject to a parent’s request not to disclose such information without written consent.

A single notice provided through a mailing, student handbook or other method that is reasonably calculated to inform parents of the above information is sufficient to satisfy the parental notification requirements of both FERPA and §9528. The notification must advise the parent of how to opt out of the public, nonconsensual disclosure of directory information and the method and timeline within which to do so. [ESEA §9528]

Military recruiter access to student information: Districts receiving federal education funds must notify parents of secondary school students that they have a right to request their child’s name, address and telephone number not be released to a military recruiter without their prior written consent. Districts must comply with any such requests. [20 U.S.C. §7908(a)(2)] [ESEA §9528]

Parental involvement: A district receiving Title I funds and each school served under Title I must develop jointly with, agree on with, and distribute to, parents of children participating in Title I programs, a written parental involvement policy. If a school or district has a parental involvement policy that applies to all parents, it may amend the policy to meet the requirements under the ESEA. [ESEA Title I, Part A, §1118(a)(2)] [20 U.S.C. §6318(b); (c)]

Parents shall be notified of the policy in an understandable and uniform format and, to the extent practicable, provided in a language the parents can understand. Such policy shall be made available to the local community and updated periodically to meet the changing needs of parents and the school. [ESEA Title I, Part A, §1118(b)(1)]

These report cards must be concise and presented in an understandable and uniform format accessible to persons with disabilities and, to the extent practicable, provided in a language that parents can understand.
