

## **Kindergarten Health and Readiness Screening**

**2018-2019 School Year**

**Kindergarten Orientation** is May 22nd @ 10:00 @ the Hancock County Elementary School. Please bring your child and meet the Kindergarten Teachers, visit classrooms and meet the Principal, Ms. Angela V. Kinsler.

### **Kindergarten Health and Readiness Screening Procedure:**

1. Make an appointment with the Health Department or your child's health care provider BEFORE your child comes through Kindergarten Registration and Readiness at the school. Your child must have the required immunizations to start Kindergarten.

### **Dates for Health Screening at the Health Department:**

April 10   April 17   April 24   May 29

Hancock County Health Department: 733-2228

2. After your child completes his/her Health Screening, schedule Kindergarten Readiness Screening (including Registration) at Hancock County Elementary School.

### **Dates for Readiness Screening at Hancock County Elementary:**

April 13   or   May 11

Things to bring: 1.) Your child; 2.) Child's Birth Certificate; 3.) Child's Social Security Card; 4.) Child's Shot Record; 5.) Any custody papers showing legal guardianship.

**These documents are required by state law. Your child cannot enter Kindergarten without them! If you have any questions or need assistance, please call: 423-733-2534.**
