Dear Parents/Guardians and Students:

Hello and Welcome

Here we go again. New faces, new positions, and new routines with which to get accustomed. First of all I would like to say that I am so very happy to be in this position. Elementary grades are so very important. All the skills necessary to be successful in middle and then high school are developed right here. If students do not get the basics of multiplying and dividing in elementary school, how will they be able to factor quadratics when they get in high school? Oh how important elementary school is to our students. At any rate, it is really good to be here and I solemnly promise to be good to your children. I will love them and be good to them.

With all that being said, I do have some expectations. I expect you to have your children at school. It is so very important that the children are here. It is so important, in fact, that the state of Tennessee made it a law. Since it is a law, I will see to it that your children are educated properly and that they are involved in rigorous classroom instruction.

I expect professionalism. If there are concerns or questions please, please feel comfortable approaching me. We will talk and I will certainly listen. I am not after my best interests here but rather the interests of your child.

I expect students to do their part. They must get rest at night. They must have the materials they need. They must be respectful and come prepared to work.

Thank you all for allowing me to have this opportunity and if you have ANY questions or concerns please reach out to me here at the school at 423-733-2534. If we can't talk between 8 and 3, I'll stay late or come early to make sure you are heard. Thanks again.

Sincerely,

Brian R. Greene

Teachers also will send home progress reports at the end of each (4) weeks for students who are performing unsatisfactory work. These are used to show student's progress, or lack of, in each subject area. Our grading scale is as follows:

A = 93-100	D = 74-70 Unsatisfactory
B = 85-92	F = Below 69 is failing
C = 75-84	I = Incomplete

TN. STATE ASSESSMENT TEST will count 15% of Spring Semester Grades.

PROMOTION AND RETENTION OF STUDENTS

The decision to promote or retain a student will be carefully reviewed near the end of the school year. During the school year, parents will be notified that their child has not made satisfactory grades during each nine week periods. Retention is justifiable in cases where achievement is far below the standard, or lack of progress is caused by any of the following:

1. Chronic truancy defined as being absent from school more than 10% or 18 days of

- the school year without justifiable cause.
- 2. Lack of effort by capable students.
- 3. Physical/Social immaturity.
- 4. Others deemed relative.

While parent/guardian input is sought in cases of retention, the school administration and the Hancock County School Board have final authority in regard to retention/promotion.

**Tennessee Department of Education
107th General Assembly
3rd Grade Guidelines**

Public Chapter 351

Prohibits the promotion of any third grade student to the next grade level unless the student shows a basic understanding of the subject of reading as demonstrated by the student's grades or standardized test scores. Department of Education contact Kimberly Jackson.

KINDERGARTEN LAW

- 1. Children entering kindergarten shall be five (5) years of age on or before August 15th for the 2014-2015 school year.**
- 2. Notwithstanding subdivision (b)2(A), if the director of schools finds through evaluation and testing, at the request of the parent or legal guardian, that a child who is five (5) years of age on or before September 30 is sufficiently mature emotionally and academically, then the child may be permitted to enter kindergarten.**
- 3. Notwithstanding any other law to the contrary, children who participate in an LEA-administered pre-kindergarten program during the 2012-2013 or 2013-2014 school years may enter kindergarten in the 2013-2014 or 2014-2015 school years respectively.**

TEXTBOOKS

Textbooks are furnished to your child by the school system on a loan basis and should be treated as borrowed property. Students must pay for the loss or abuse of textbooks. (Price of textbooks may range from \$20.00 to \$50.00).

HANCOCK COUNTY SCHOOL ATTENDANCE POLICY

The Hancock County Board of Education recognizes that absenteeism is a hindrance to the efficient education of students and realizes that punctuality and regularity of attendance is necessary for progress of a student at school. The parents, guardians, or other persons having charge and control of the child are held responsible for the child's school attendance. (TC-49-1708) College admission, vocational admission, and future employers use student attendance records to determine dependability and good citizenship. When a child enters kindergarten he/she falls under the **Tennessee Compulsory Attendance Rules**, which requires that children be enrolled in school on a regular basis until they are 18 years of age. It also requires that they attend regularly and has limits on the number of days they can miss that are excused absences. State law mandates that school principals are to send parents a **notification letter** when a child has accumulated (5) unexcused absences from school. Should a child accumulate excessive absences, the principal will refer the parents to the attendance officer to investigate the reason for the absences. In some cases parents are petitioned to appear before the Truancy Board or Juvenile Judge to justify the reason for the child's excessive absences. Acceptable reasons for which a student be excused from school are as follows:

1. **Illness with doctor or dentist etc. verification**
2. **Approved court hearing**
3. **Death in the family**
4. **Sickness**

Other absences are generally considered unexcused. There are times when it is hard for parents to decide whether or not their child is “sick” enough to stay home from school. To discuss the illness with a nurse, parents should call the Hancock High School Based Health Center at 733-2819 or the Elementary School Based Health Center at 733-2121. For any planned extended absence from school, contact your child’s teacher and principal in advance of the absence and give the dates of the absences in writing.

ATTENDANCE INCENTIVES OFFERED

Also, again this year at Hancock County Elementary School students who have perfect attendance for the entire school year will have a chance to win a boy or girl’s bicycle, along with other awards during the **Perfect Attendance** drawing. Also, students with **“ONLY”** 2 excused days will be eligible for the **Commendable Attendance** drawing for awards.

TARDY PROCEDURE

Excused and unexcused Tardies

(Students are considered tardy if they arrive in the classroom or gym after 8:00a.m.).

A. Excused Tardies

- **Late Bus**
- **Death in family**
- **Illness with Dr.’s note**
- **Religious holiday**
- **Medical/Dental appointment**
- **Court subpoena**
- **Principal approval**

B. An unexcused tardy is any reason for being late other than the ones listed above.

C. Students that accumulate more than (4) tardies in a 9 week grading period must complete make up work during evening recess.

Changes within the ATTENDANCE POLICY

Parents our school attendance will be calculated by minutes due to the new program (EIS) that the Tennessee Dept. of Education will be using this year. **STUDENTS must be present for 420 minutes daily**✳For example: If he/she is tardy, then the unexcused tardies will result in unexcused absences. *****Every minute will be calculated!!!*****

Absenteeism hurts everyone.

Hancock County Schools New Truancy Intervention Procedure

TCA Code 49-6-3009(b) / Senate Bill 196 / Public Chapter 379

Effective July 1, 2018

On or before the beginning of each school year, the principal or a teacher at every public, private, or parochial school shall notify a student’s parent, in writing, that:

- If the student is absent from school for an aggregate of five (5) days during the school year without adequate excuse, then the student is subject to referral to juvenile court; and
- It is a parental duty to monitor the student’s school attendance and require the student to attend school.

Each successive accumulation of five (5) unexcused absences by a student must also be reported.

If it appears that, within three (3) days after receipt of the notice, any child, parent, guardian, or other person in parental relation has failed to comply with this part, then the director of schools shall request a conference between school officials and the parent to discuss the absences and to trigger the first tier of the progressive truancy interventions.

- 3 Day Letters will be sent to any student who misses 3 unexcused days of school
- Upon the 4th unexcused day the student misses, the Parent/Guardian will receive one or more of the following: notification by letter, a home visit and/or a phone call, including an invitation to a Conference with the Student, Parent/Guardian, Principal/Guidance Counselor and Attendance Supervisor at the School

- An Individualized Assessment of Student's Attendance is reviewed, and all parties present must sign an Attendance Contract
- Follow-up meetings to discuss the student's attendance progress are scheduled

If Student/Parent/Guardian fail to show up or to comply with Tier I, Tier II is evoked

Tier II:

- Second Attempt at review of Individualized Assessment of Student's Attendance, and Signing of the Attendance Contract, if not completed in Tier I
- Referral to counseling, community-based services, or in-school or out-of-school services aimed at addressing the student's attendance problems

If Student/Parent/Guardian fail to show up or to comply with Tier I or Tier II, Tier III is evoked

Tier III:

- Referral to Truancy Board*
- Third Attempt at Signing of the Attendance Contract, if not completed in Tier I or Tier II
- Referral to counseling, community-based services, or in-school or out-of-school services aimed at addressing the student's attendance problems

****If Student/Parent/Guardian fail to show up to Truancy Board Meeting, Referral to Juvenile Court***

Each referral to juvenile court will be accompanied by a statement from the student's school certifying that:

- The school applied the progressive truancy interventions to the student; and
- The progressive truancy interventions failed to meaningfully address the student's school attendance.

Each intervention program shall report school attendance of program participants to the director of schools in the year following the intervention.

Ms. Marta M. Stapleton, Attendance Supervisor

For more information contact the Attendance Supervisor Ms. Marta M. Stapleton at 733-4848.

FIELD TRIP POLICY

- ◆ Must be OK'd by the principal and director.
- ◆ Students must follow grade level guidelines for trip eligibility
- ◆ Every child must have written permission.
- ◆ If field trip last past 3:00 p.m., all students must have transportation home afterwards.

CHECK IN/OUT PROCEDURES FOR STUDENTS

All students must be signed in/out at the front desk. The student will be given a pass/tardy slip to present to his/her teacher. Parent/Guardian must report the office and be given a visitor pass and a form (early dismissal) that must be presented to the teacher before the student will be allowed to leave the classroom. This is for the protection of parent and student alike. When the student is tardy or leaves early that time is kept in the computer. A early dismissal form will be issued and the student will be called to the office.

PICK UP/DROP-OFF POLICY

All car/truck riders should be dropped off and picked up in front of the building. Drivers should enter at the north entrance near kindergarten classrooms and exit at the end near the rock building to avoid congestion.

ALL BUSES WILL LOAD AT THE BACK OF THE BUILDING.

NO CARS ARE ALLOWED TO ENTER AT THE BACK OF THE BUILDING.

- The school bus is an extension of the classroom. Students are expected to conduct themselves in a manner consistent with the classroom.
- Remember: Riding the school bus is a privilege not a right! If you can't obey these rules we are not required to provide transportation.

Bus Rules That Will Be Followed

- 1. The bus driver may assign seats**

BUS REGULATIONS

Rigid standards of discipline must be maintained at all times to satisfy safety requirements. Whenever a driver directs attention away from the road, danger exists. Foremost in our minds is the safety of each passenger. Students and parents need to understand that riding a bus is a privilege and can be taken away if proper behavior is not maintained.

While Riding The Bus:

1. Except for ordinary conversation, students shall maintain quiet conduct on the bus.

5. For assistance or problems concerning bus drivers, contact—Mr. Joseph Southern @ **423-733-4848**.

TESTING

During the school year, state mandated tests will be given by the faculty. These tests are given for the student's benefit in order to help them have a better understanding of their abilities and interests. All students are encouraged to do their very best on these tests, as they will be meaningless if the student does not put forth his/her best effort. School curriculum has been aligned with the TN. State Standards to teach students skills and knowledge to prepare them for these tests.

PROCEDURE FOR STUDENT USE OF TELEPHONE

Students are not to be called out of their classroom to the telephone except in the event of an emergency. The secretary will try to get a message to your child when otherwise necessary. **Calls should be made before 2:00 p.m. concerning after school arrangements for students.** They may not be able to use the phone unless they have a phone pass from their teacher who will judge the necessity of the call for each student.

Parent calls will not be transferred to the classroom. The school secretary will take a message and see that the student gets the message at 2:45 p.m.

PARENT/TEACHER CONFERENCES

SCHOOL SPECIAL PROGRAMS

PHYSICAL EDUCATION PROGRAM

Physical Education is an integral part of the instructional program. Each child will be required to participate unless he/she has a note signed by a parent or a doctor stating that he/she should not take P.E. for that day. If it is for an extended time, he/she will need a doctor's excuse.

GUIDANCE

Hancock County Elementary has a guidance office staffed by trained counselors. Students, who need advice on personal problems, are urged to consult a guidance counselor. Appointments may be made by stopping by the office or contacting Ms. Whitney Fleenor or Ms. Becky Holt.

LIBRARY

All students have an opportunity to use the library for reference work and pleasure reading. Books are checked out for a period of two weeks and may be renewed once; however, books may be renewed any number of times provided they have not been requested by other students. A fine of .10 cents is charged for each day a book is out while school is in session. Our library has several new selections for the student to use.

COMPUTER LABS

We have two computer labs on our campus. Computers are very much a part of our educational program. All students in K-5 grades have access to this lab once per week. Students in 4th and 5th grades will receive keyboarding skills. Students are expected to take the best care possible of all computers. Parents are requested to sign a form that states that your child accepts the responsibility of doing so. The computer lab is for serious work. Students found to be abusing the lab or computers will lose their privilege to participate in this program.

Note Consent form to use the internet must **be signed by parent/guardian and returned back to student's homeroom teacher.**

21st CENTURY AFTER SCHOOL PROGRAM SPONSORED BY CLINCH/POWELL EDUCATIONAL COOPERATIVE PROGRAM

The after-school program works with students in grades K-5. The students are exposed to Games & Recreation, Physical Education, and Technology, as well as help with their homework.

PROJECT BASIC

This program provides counseling on small group or individual basis to students. Students are referred to this program by the classroom teacher or other counselors.

A FAMILY GUIDE TO RESPONSE TO INSTRUCTION AND INTERVENTION (RTI²)

What is RTI²?

A multi-tiered delivery system that uses a data-driven problem-solving model to identify specific student need and match appropriate instructional strategies.

In Tennessee, the Response to Instruction and Intervention (RTI²) Framework is a component of TNCORE. The TNCORE implementation plan has three legs with student achievement at the center:

- Assessment alignment and transparency
- Instructional materials and curriculum
- Quality training and meaningful support

SPECIAL EDUCATION PROGRAM

One to one instruction and modified programs are developed for students, and individual educational programs created, based on needs, we strive to provide our students with a free and appropriate education.

SECTION 504 and ADA

Grievance Procedures

The Board is committed to maintaining equitable employment/educational practices, services, programs and activities that are accessible and usable by qualified individuals with disabilities.

DEFINITION

Section 504 of the Rehabilitation Act of 1973 provides that : No otherwise qualified individual with handicaps in the United States...solely by reason of his/her handicap, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance.¹

Title II of the Americans with Disabilities Act, 1990 provides that : No otherwise qualified individual with a disability shall be discriminated against in regard to job application procedures, the hiring, advancement, or discharge of employees, employee compensation, job training and other terms, conditions and privileges of employment.²

COORDINATOR³

The Board shall designate at least one employee to coordinate its efforts to comply with and carry out its responsibilities under the Americans with Disabilities Act (ADA) and Section 504, including any investigation of any complaint alleging non compliance with the Acts or alleging any actions that would be prohibited by the Acts.

NOTICE⁴

The Board shall make available the name, office address and telephone number of the ADA/Section 504 coordinator. Methods of initial and continuing notification may include the posting of notices, publication in newspapers and in student and employee handbooks and distribution of memoranda or other written communications.

COMPLAINT PROCEDURE⁵

The coordinator will hear ADA/Section 504 complaints. Complaints shall be submitted in writing to the coordinator who will endeavor to accomplish prompt and equitable resolution of complaints alleging any action that would be prohibited by the ADA/Section 504. The coordinator will respond to all complaints within twenty (20) days with a written response as well as information on further grievance procedures that may be followed if the complaining party is not satisfied with the coordinator's proposed resolution.

DUE PROCESS HEARING PROCEDURES

Section 504 of the Rehabilitation Act of 1973 provides the right to an impartial due process hearing if a parent wishes to contest any action of the school system with regard to a child's identification, evaluation, and placement under Section 504.⁶ If a parent/guardian requests a Section 504 hearing, the parent/ guardian has the right to personally participate and to be represented at the hearing by an attorney or advocate at the parent's expense. Contested actions or omissions that are appropriate for a Section 504 hearing should involve identification, evaluation, or placement issues involving a child who has or is believed to have a disability.

Written Request for Hearing

A parent/guardian who wishes to challenge an action or omission with regard to the identification, evaluation, or placement of a student who has or is believed to have a disability as defined by Section 504, shall make a written request for a due process hearing to the Section 504 coordinator. The written request must be made on a form provided through the Central Office.

Impartial Hearing Officer

The director of schools or his/her designee shall appoint an impartial hearing officer to preside over the hearing and issue a decision. Such appointment will be made within fifteen (15) days of the date of receipt of a request for a due process hearing. The hearing officer will be hired as an independent contractor at no expense to the parent. The hearing officer that is appointed shall not be a current employee of the school system and shall not be related to any member of the Board of Education. The hearing officer need not be an attorney but shall be familiar with the requirements of Section 504 and the hearing procedures under Section 504. The choice of an impartial hearing officer is final and may not be presented as an issue at the due process hearing since such an issue would not relate to the identification, evaluation, or placement of a disabled child under Section 504. If a parent/guardian disputes the impartiality of the appointed hearing officer, he/she may raise such issue in a review of the hearing officer's opinion by a court of competent jurisdiction or in a complaint to the Office for Civil Rights.

Email: OCR.Atlanta@ed.gov

Scheduling of Hearing

The appointed hearing officer shall set a date for the hearing within fifteen (15) days of his/her appointment and provide this information in writing to the parent/guardian and the Section 504 coordinator. The hearing shall take place at a mutually agreeable time and place.

Continuances

Upon a showing of good cause, the hearing officer, at his/her discretion may grant a continuance of the hearing date and set a new hearing date.

Legal Representation at Hearing

If a parent/guardian is represented by a licensed attorney at the due process hearing, he/she must inform the Section 504 coordinator and the appointed hearing officer of that fact, in writing, at least seven (7) calendar days prior to the hearing date, or the hearing can be continued upon the

coordinator's request. The school system shall not have legal representation at the hearing unless the parent provides notice that he/she will have legal representation.

Pre-Hearing Conference

The hearing officer may order a Pre-Hearing Conference during which the parent/guardian or his/her representative will state and clarify the issues to be addressed at the hearing. The Pre-Hearing Conference will also serve to resolve preliminary matters, clarify jurisdictional issues, and answer the parties questions regarding the hearing process. The Pre-Hearing Conference can be held via telephone or in person depending on the hearing officer's decision based on the convenience to both parties.

Dismissals

If, after the Pre-Hearing Conference, the hearing officer finds that the parent, as a matter of law, alleges and/or raises no factual claims or legal issues that come within his/her jurisdiction as a Section 504 hearing officer, he/she may dismiss the hearing and issue an order to that effect explaining the basis for such finding.

Hearing

The hearing shall be conducted in an informal, non-adversarial manner. The hearing shall be closed to the public unless the parent/guardian requests an open hearing. The hearing officer may reasonably limit testimony and introduction of exhibits for reasons or relevance.

Recording

Instead of a formal written transcript produced by a court reporter, the entire due process hearing will be video recorded. The school system shall provide a copy of the recording to the parent/guardian upon request. In order for an accurate recording to be made, the parties and witnesses shall introduce themselves at the beginning of their presentations. If a parent/guardian appeals the decision of the hearing officer to a court of competent jurisdiction, the school system shall prepare a written transcript of the hearing to be offered to the court as an exhibit.

Witnesses

Witnesses will present their information in narrative form, without the traditional question and answer format of legal proceedings. Cross-examination of witnesses will not be allowed, but a party may request that the hearing officer, at his/her discretion, ask a witness a certain question.

Format of Presentation

Each side will have an equal amount of time to present their positions as determined by the hearing officer. The parent/guardian will present his/her case first by making an opening statement outlining the issues, calling witnesses, and making a closing argument. The school system will present its side next. At the end of the school system's presentation, the parent/guardian may offer a short response. Each side may present personally or through their representatives.

Submission of Exhibits

As part of their presentations and at the discretion of the hearing officer, the parties may submit any reports, evaluations, correspondence, notes, or any other documents that may support their positions. Exhibits submitted to the hearing officer by either party must be marked. The hearing officer may, in the exercise of his/her discretion, reasonably limit the number of documents to be submitted for his/her review, as well as the number of witnesses and the length and/or scope of their presentations or statements.

Closing Arguments

The hearing officer may allow or request written closing arguments summarizing and characterizing the information presented at the hearing.

Decision

The hearing officer may make an oral ruling at the conclusion of the hearing or take the case under advisement and issue a written opinion. Such decision shall address all of the issues raised by the parent/guardian as well as any corrective actions, if any, the school system must take. Any issue or claim raised by the parent/guardian that is left unaddressed by the hearing officer in his/her decision will be deemed to have been denied. The decision must be issued within forty-five (45) days after the date the Request for a Due Process Hearing is received by the district. The hearing officer may not award attorneys' fees as a part of the relief granted to a parent/guardian or the district.

Review Procedure/Appeal

If the parent/guardian is not satisfied by the decision of the hearing officer, he/she may seek review of the decision in a court of competent jurisdiction.

A substantiated charge against an employee shall result in disciplinary action up to and including termination. A substantiated charge against a student may result in corrective or disciplinary action up to and including suspension.

There will be no retaliation against any person who reports harassment or participates in an investigation. However, any employee who refuses to cooperate or gives false information during the course of any investigation may be subject to disciplinary action. The willful filing of a false report will itself be considered harassment and will be treated as such.

An employee disciplined for violation of this policy may appeal the decision by contacting the Federal Rights Coordinator or the Board of Education. Any student disciplined for violation of this policy may appeal the decision in accordance with disciplinary policies and procedures.

Explanation of Assessment

- Hancock County Elementary provides a description and explanation to parents of the TN State Assessment which demonstrates student proficiency level. An individual student profile report is sent home yearly with explanations on how to read the report.
- Different forms of formative and summative assessment are used to measure student achievement and growth throughout the school year.
- Progress reports are sent out after each four week period of instruction as a mid-report and at the end of the nine week period of instruction as a report card. Parents are requested to sign the reports to verify they have been seen.
- Hancock County Elementary exposes all students in grades K–5 to the Renaissance Learning (STAR Reading and STAR Math) assessment program which test students on standards and criteria similar to the state comprehensive assessment in reading and math. This test allows teacher’s to access student academic growth.
- Hancock County Elementary provides parent’s computer generated reports for STAR Reading and STAR Math, IXL Math Lab, and Accelerated Reading for parents to see the progress throughout the school year and the benchmarks students are meeting.
- Writing assessment will be given to students in grades 3-5.

Student/Parent/Teacher Compact

The student/parent/teacher compact was jointly developed by teachers, administration, and the Parent Advisory Council with input from Title I parent survey and group consensus. The entire school staff, parent/caregivers and students will share the responsibility for improved and sustained academic achievement. This compact is designed to form a partnership to help students achieve and meet Common Core State Standards. The agreement is signed by the student, parent, teacher, and principal.

Parent Conferences and Regular Meetings

Hancock County Elementary School has two yearly scheduled parent/teacher conference days each school-year. This allows parents advanced notice so they may pre-schedule a meeting with their child/children's teacher. It is a time to inform parents of student progress or struggles, to seek advice for help in academic areas from teachers, and discuss the overall demeanor of the student in all settings (classroom, hallway, cafeteria, bus, etc.). These meetings are informal and held within the classroom environment which allows for parents to see student portfolios and projects. Questions and concerns may also be entertained or discussed during these meetings. See the school calendar each year for the pre-determined dates.

H.C.E.S. also provides parents with opportunities for regular meetings. These meetings may be held at flexible times to accommodate working parents so they may visit the school and participate in decision making processes. Teachers and administration freely schedule meetings with parents upon request. The principal has an open door policy in which all parents are welcome to visit and voice ideas, concerns, or suggestions.

Parent Involvement Plan Analysis

The parent involvement plan includes but is not limited to the following ideas:

Hancock County is committed to helping all children succeed. We have many ways to help children who are struggling to learn and who need additional supports to be successful. Response to Instruction and Intervention (RTI²) is one form of support.

What is RTI²?

A multi-tiered delivery system that uses a data-driven problem-solving model to identify specific student need and match appropriate instructional strategies.

In Tennessee, the Response to Instruction and Intervention (RTI²) Framework is a component of TNCORE. The TNCORE implementation plan has three legs with student achievement at the center:

- Assessment alignment and transparency
- Instructional materials and curriculum
- Quality training and meaningful support

What does the RTI² Framework look like?

The RTI² Framework has three tiers. Each tier provides differing levels of support.

- In Tier I, all students receive research-based, high quality, general education instruction that incorporates ongoing universal screening and ongoing assessment to inform instruction.
- In Tier II, intervention is implemented when assessment indicates that a student is not making adequate gains from Tier I instruction alone. In addition to Tier I instruction, students are provided small group interventions designed to meet their specific needs. These students are progress monitored weekly or every other week using a tool that is sensitive to measuring changes in the student's individual skills.
- In Tier III, more intensive interventions are provided to students who have not made significant progress in Tier II, who are more than 1.5 grade levels behind, or who are below the 10th percentile. These students are progress monitored weekly or every other week using a tool that is sensitive to measuring changes in the student's individual skills.

What are the key components of the RTI² Framework?

A key component of RTI² is that all children receive high quality curriculum and instruction in the general education classroom (Tier I).

Another component of RTI² is that the school conducts universal screenings. Universal screenings review the performance and progress of all students through brief assessments. Universal screenings help schools identify students who may need more support or other types of instruction.

As a result of universal screenings, students may be identified as needing targeted intervention (Tier II) in addition to the high quality instruction they are receiving in Tier I. Research based interventions are used to support students in the area(s) in which they are struggling. Research based interventions are teaching strategies or methods that have been proven effective in helping children learn.

Another key component of RTI² is progress monitoring. Progress monitoring is a way for teachers to take a snapshot of how children are doing on a specific skill. It shows how well the intervention is working. It includes

formal and informal assessments. Progress monitoring helps determine whether an intervention is successful or needs to be changed. This information is shared with parents on a regular basis.

When progress monitoring indicates that the intervention is no longer needed, the child continues to receive support from the general education curriculum (Tier I). When progress monitoring shows that a child is not responding to the intervention, another approach or intervention may be tried. If a higher level of support is needed, students may be given more intense intervention that further focuses on the supporting skills they need to be successful learners (Tier III). Students who do not respond to Tier III interventions may be referred for special education.

What if I think my child needs special education?

If at any time parents become concerned that their child needs special education, they should contact their child's teacher or administrator. Other forms of evaluation, in addition to information gathered through the RTI² framework, are needed to determine if a student is eligible for special education services. In order for these evaluations to be conducted, a parent's written consent is required.

Here are a few ways parents can support what their child is doing in school:

- Make reading an everyday habit at home
- Communicate with your child's teacher
- Monitor and assist with homework assignments
- Review progress monitoring data
- Share your child's successes
- Learn more about the curricula and interventions being used in your child's school
- Attend parent/teacher conferences and other school meetings about your child

Talk to your child's teacher, principal or school's RTI support team for more information about how RTI² is being implemented in your child's school.
