

Heading into a new week and into April keeping good thoughts and wishes for warmer weather and a healthier country! April showers WILL bring May flowers! <3

You will see over the next couple of days even more videos added to your online portals. Keep up the dancing and the feedback - it is helpful as we continue this new (temporary!) adventure.

Next week, the week of **April 6th - April 9th**, we would like to hold a LIVE class week. We have gotten feedback that people are liking the pre-recorded classes but we also feel there is a benefit to going live so we'd like to give it a try next week. At the end of the week, we will then send out a brief survey to get feedback regarding both methods.

We have kept the class times mostly the same with the exception of Saturday morning classes moving to Monday or Tuesday and a slight adjustment to some Tuesday/Wednesday classes to condense. We will be checking in *and* dancing so please make sure they have a quiet space to attend class.

[A document has been emailed to you] - this is a live document which includes the classes & recital dance number, their normal class time, their LIVE class time for next week & a **link**. The only thing you need to do is click that link at the time of class! (Don't see your link yet? No worries, our teachers will be updating the spreadsheet with their links asap) Below you can also find a quick reference calendar of the live classes for next week.

If you have any questions, don't hesitate! Can't make the class? No worries, our instructors plan to record the class and add the video into your portals.

We look forward to SEEing everyone next week!

LOVE & HEALTH,
Michelle & the DMME staff
