

Good Morning,

Reaching out with information and updates for May!

We are looking forward to continuing our live classes and have some fun stuff planned for this month including Cinco de Mayo celebrations and Spirit days! Please make sure you are checking your email and following us on social media platforms for reminders.

This week, we return to our regularly scheduled live online classes for April, however, we will have a few slight adjustments beginning next week:

- Saturday classes that were moved to weekday classes will be back on Saturdays for online classes beginning May 9th (you have received a notification email and the links will be updated in the spreadsheet after this week's classes)
- Starting next week, Miss Dimitra will officially be on her maternity leave (no baby yet but any day now!) so there will be new links for her classes as other teachers will be taking them over. Those will be updated after this week as well and we will notify you by email if there are any other adjustments.

As of now, May will be a full month of dancing - live online. However, as I mentioned in my previous email, I am prepared for whenever the doors can begin to safely open! Everyone keep crossing those fingers and toes for a continued downhill slope and a healthy Maine community!

May tuition will be posted in your parent portals this week. Tuition will be at your normal rate, however, please do not hesitate to email me if you are continuing to experience financial hardship due to Covid-19 . I am happy to work with you to ensure your dancer can continue by either offering a specific discount code you can use at payment or, thanks to our super generous dance family, offer funds from our #stilldancing fund.

*Which, if you haven't visited the site or placed your order yet, you'll want to now as the deadline to order is this Thursday, April 30th! VISIT dancemoves.us

Thank you to all that have ordered your apparel and to each of you for #stilldancing with us. I can't thank you enough for remaining with us through this unprecedented time. We are constantly shifting to make your online experience better but still planning for the days we can be together again. And with your support, we WILL be together again.

Health & Happiness,
Michelle
