## **Sponsorship & Donation Package**

Halfmoon Sober Festival is a Celebration of Community, Recovery, and Connection with a Weekend of Camping, Music, Sports, and Workshops

***Welcoming Families, Friends, and All Supporters of Sober Living***

## **Mission Statement**

Half Moon Sober Festival, Inc. is a New England-based, non-profit, tax-exempt 501(c)(3) organization dedicated to fostering a supportive and alcohol and drug-free environment for individuals and families. Our goal is to promote personal growth and community connection through sober events, including dances, comedy shows, and an annual four-day multicultural camping experience.

In a society saturated with media that often glamorizes alcohol and drug use, we aim to shift perceptions by creating meaningful experiences that demonstrate life's full enjoyment without substances. Our festival serves as a powerful alternative—highlighting recovery, wellness, and joy through engaging workshops, live music, sports, and cultural events.

While many organizations focus on prevention and treatment, Half Moon Sober Festival addresses the issue at its root: cultural norms and attitudes toward substance use. We believe in changing the narrative by offering immersive, fun, and educational sober gatherings that inspire lasting change.

Dear \_\_\_\_\_,

On behalf of the Half Moon Sober Festival, I invite you to support a unique and meaningful cause. As a registered 501(c)(3) nonprofit, Half Moon Sober Festival provides a vibrant, family-friendly, and completely sober camping experience each Memorial Day Weekend.

This festival is more than an event—it's a movement. With recovery-focused workshops, cultural performances, live music, sports, children's activities, and a dedicated volunteer staff of over 100 individuals, our mission is to inspire people to find joy and fulfillment through sobriety.

Now more than ever, amid a nationwide opioid crisis, this work is critical.

Your support enables us to continue offering this transformative experience. Every donation, sponsorship, or advertisement helps us keep the festival alive and accessible to all. As a supporter, your organization will be recognized in our event program and promotional materials, demonstrating your commitment to community wellness and sober living.

Thank you for considering this opportunity to make a lasting impact.

Warm regards,

The Board of Directors  
Half Moon Sober Festival, Inc.
