Colorado
ES | GS | VS

The Colorado is an exceptional spa, smaller in size, but roomy enough to socialize with your family..

Originating from the 7' Monarch Spa, the Colorado has a smaller footprint while keeping the primary focus on the 2 Captain's Chairs. The Captain's chairs are different heights/depths, and each chair has a unique jet pattern to target different parts of the back and neck, along with a foot jet for both bathers.
