The New York State Minorities in Criminal Justice, Inc. (NYSMICJ), established in 1986 is a 501(c)(3) not for profit service corporation. We collaborate effectively with individuals and organizations whose purpose include the promotion of justice, fairness, and equality. We further seek to maintain and to establish liaisons with organizations to enhance the general welfare and quality of life in our communities.

What We Are Doing: The NYSMICJ is celebrating our 35th Anniversary and hosting our Annual Training Symposium on November 3-5, 2021, at the Poughkeepsie Grand Hotel. This year's theme is "**Shifting the Criminal Justice Culture Towards an Equitable Future.**" Criminal Justice professionals have been invited from within and outside of New York to travel to Poughkeepsie (the Queen City), to participate in this comprehensive training symposium with panels and workshops addressing the theme. Attendees can strengthen ideals and actions, share best practices, network, and celebrate while observing CDC COVID guidelines.

Why Exhibit at Our Event: You will be able to increase your brand exposure to a wider audience and obtain merchandising opportunities with a physical presentation while sharing your company's online options. Your company will receive a link on our website to further advertise your brand. Your support enables us to further attract extraordinary talent for panels and workshops as we proceed into our new year.

Investing in Community: We are extending a Vendor Exhibition call for each day of our Training Symposium and Anniversary Celebration. Helping us expand our mission and reach is a perfect collaboration that your company will benefit from and should get behind.
