Our Commitment to You During the Pandemic

Gem Yoga and Life Enrichment has always strived to provide our clients with a safe and healthy environment. Now, more than ever, we are approaching our re-opening with an abundance of caution by adhering closely to all guidelines set forth by the State of Ohio Medical Board of Review in our private therapies and those of the State of Ohio Department of Health concerning group classes.

Studio Status

We are in the process of gradually resuming services and classes. Currently, Massage by Peggy and Reflexology with Paula Marie are accepting appointments. All yoga classes remain online through Zoom until mid-June.
