

CAPABILITY STATEMENT

UEI: QDE9FGAJHN71
CAGE: 9PFL2
DUNS: 107758124

OVERVIEW >

Decatur Management Group (DMG) works with governments, and industry to solve the world's most pressing problems in the most challenging environments. DMG empowers global missions with new efficiencies and agility, supporting and driving critical missions and delivering superior products and services.

DIFFERENTIATORS >

1. Certified HUBZone and Service-Disabled Veteran Owned Small Business.
2. Access to best-in-class design and rapid proto-typing engineering team, taking ideas from concepts to finished products.
3. Extensive experience with frontier and emerging market corporate structure set-up and local partner due diligence, selection, and development, with a focus on Africa and the Caribbean.
4. Demonstratable track record of public/private partnerships designed to enhance host nation force capabilities in Africa, from proof of concept to successful delivery of sustainable maritime and onshore security solutions.
5. Maintain a proprietary data base of +500 US & UK based, government vetted security personnel (100% veterans and former law enforcement).
6. Ability to certify additional personnel as detention custody officers, including 'train-the-trainer' course.
