

For 2021, we as a church have committed to give **\$56,935.** toward Outreach Giving. That's an awful lot of cake.

Subtract Outreach Payments

We're three quarters of the way through the year and have paid a little over a third of that amount.

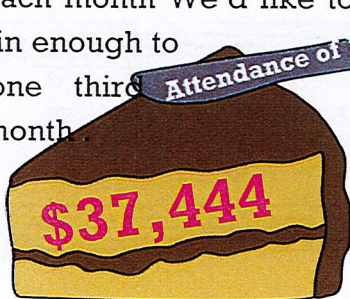

Cut into 3 monthly Payments

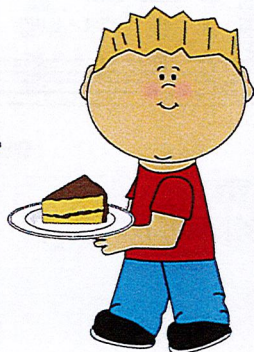

That leaves a total of about **\$37,444.** yet to be paid. That's still a big cake. On **Oct 24, Nov. 14** and **Dec..12**, we are having an Outreach Offering Emphasis Sunday. Each month We'd like to bring in enough to pay one third of the total. Attendance of 106

That totals **\$12,482**

Each month for Oct. Nov. & Dec. That's still an awfully big piece of cake each month **But what if each family took responsibility for just one bite?**

If each family contributes monthly just **\$118.** we will be able to meet our Outreach Planned Giving goal.

On Oct. 24, Nov 14, & Dec. 12, put your \$ in a Special Giving envelope marked for outreach and *together*, meeting our goal will be **a piece of cake!**
