## Methodology

This report provides an in-depth analysis of the economic impact of Orange County's new car and truck dealers on the state and local economy. It includes estimates of employment, payroll, and tax collections generated by Orange County new car dealers. Also included is a review of dealership financial statistics and operations. This report was prepared by Auto Outlook, Inc., an independent automotive market analysis firm, and was sponsored by the OCADA and CNCDA. The report was compiled based on data collected from new car dealerships throughout Orange County, as well as government sources.
