Hello MRPOA Members,

This week, the MRPOA Board of Directors had a discussion about the MRPOA getting involved with Pension Legislation. If you have not heard, there was legislation introduced in this session to increase our MSRS COLA from 1.25% to 1.50%. It was on track and all of a sudden disappeared.

The Board feels it is time to get your opinion on whether we should play an active role in our Pension Issues at the State and Federal levels. The Federal level need is now that some qualify for Social Security. The MRPOA Board is in full support of this idea. And the Board would do this work; not a paid lobbyist.

Please feel free to give us your feedback! Our contact information is below. The Board will take your feedback into consideration and will take the necessary action.

Thank You,

President  
Mike Hamm
