

# ARCHDIOCESE OF DENVER

OFFICE OF THE ARCHBISHOP

July 7, 2025

Deacon Joshua Knight  
Catholic Engineering Corps

Prot. N. 2025 – 0461 ABA

Dear Deacon Knight,

Grace and peace in our Lord Jesus Christ.

Having reviewed the documentation submitted to the Chancellor of the Archdiocese, Mr. John Magee, and considering the provisions of Canon 300 of the Code of Canon Law, I am pleased to recognize the Catholic Engineering Corps as a Catholic association within the Archdiocese of Denver.

This recognition is a sign of encouragement for the good work you and your members are undertaking in integrating the Catholic faith with the vocation of engineering. I commend your initiative and pray that your efforts will bear much fruit for the Church and the common good.

As part of this recognition, I ask that the Catholic Engineering Corps submit an annual report of its activities to the Chancellor of the Archdiocese, and that any changes to the bylaws or the membership of your Board be likewise communicated to the Chancellor for appropriate record and oversight.

May your apostolate be guided by wisdom, integrity, and charity in all things. I entrust the mission of the Catholic Engineering Corps to the intercession of Saint Patrick, Patron Saint of Engineers, asking his protection and inspiration as you continue your work in service to Christ and His Church.

With gratitude for your faithful service,

Sincerely yours in Christ,

A handwritten signature in black ink, reading "Samuel J. Aquila".

✠ Most Reverend Samuel J. Aquila, S.T.L.  
Archbishop of Denver
