- Teachers and staff felt spoiled by the November goodies provided by MMO hospitality
- Instrumental and choir concerts coming up this month
- Budget shortfall next year but not losing teachers
- The school does not receive title one money
- Will know more about funding in March
- Enrollment projected to be the same next year
- Steve will present to school site council
- Parent survey went out to parents and need more input

10:09- **Board Report:** Krista and Suresh

Suresh-

- Corporate fundraising extended target for banners
- Vanessa will send financials later this week-on travel
- Received 65k from grants for the school
- 30k will be used for infrastructure- Fence and PE area
- 11k for science olympiad
- Money will also be used for special ed and theater
- We will be judicious how the money is spent- hopefully can get grant funds again next year

10:12- **PE Sales Report:** Naomi

- Contacted champion for next year's inventory and a go to use them next year
- Want to submit PE order in on January to get in early

- Check with Tasha regarding using the community room for PE clothes but Steve thinks it will work to use the community room
- Saurabh looking into Son's hockey vendor for the shorts
- Krista suggested ordering the shorts first since they are usually the more difficult items to get

10:17- **Departmental Funding Report:** Alison M.

- Early spring she usually sends out reminders for teachers to spend money
- Only band has spent all funds
- Teachers fill out reimbursement and submit to Kathleen

10:21- **Pledge Drive Update**

- Oscar and Suresh fixed locks on toilet stalls
- Suresh asked Steve to address the toilet issues- work orders are in

10:30- Steve

- Steve said we have to be careful what we fix ourselves
- Soap dispenser on the wall- we have to leave for district employees to fix- union and liability issues
- Problem district wide regarding restrooms
- Steve has addressed many problems regarding the toilets and will follow up with custodian

10:33-Krista-

- Tired of waiting to fix plumbing issues and some are 2 year work orders
- Kids don't want to drink water because they can't wait for a working toilet
- Need tampon and pads in the restrooms
- Scripps Ranch High was able to put in dividers for urinals in boys' restrooms

10:37-Suresh

- C building one stall not working
- A building worked to address issues
- Steve will follow up with restroom orders

10:40-Traci

- She appreciates Krista's passion and hopefully we can find a solution
- The right people are working on the restroom situation

10:41- Alison Murphy

- There are two problems regarding the restroom issues
- Need to keep restrooms in a workable state but unfortunately kids can be destructive
- Maybe talk to Gail Faber the President of SRHS FFO on how to best expedite work orders
- Should we bring up the restroom topic to the cluster meeting to get more attention?

10:46-Suresh

- We need a united front from the MMO and Olds
- Gail Faber wrote a letter with the principal asking for walls to be put up for urinals

10:48- Allyson P.

- Thankful for Suresh and custodians to help fix the restroom stalls
- The teachers need more help with student restroom situation

10:49- Krista

Asked Steve if we could have parent volunteers to monitor hallways and Steve said this tricky

10:51- Alison M.

Could we ask Bob Ilko to put the Marshall restroom on the get it done items?

10:53- Krista- Volunteers

How could we get hall monitors? We are in need on hall monitors and lunch duties

10:54- Steve- Campus supervisor

- Maybe we can fund another campus supervisor
- The school has only one office security person and could use more
- It would be great if could use MMO funds for another campus supervisor
- The school needs another supervisor as the largest middle school in SDUSD
