

Marshall Middle School Marshall Mustang Organization Fact Sheet

Who Are We? The MMO is a parent-driven nonprofit school foundation working to ensure the best educational experience for all Thurgood Marshall Middle School (MMS) students. All family members of MMS students are members of the MMO.

How Can You Help? The important work of the MMO can only happen with the support of our families! We welcome you to become more involved by joining us at an MMO Board meeting, or by signing up to be part of a volunteer list that can donate an hour or two to assist an MMS teacher with special projects, school activities (i.e., Science Fair, student body activities), copying, or classroom assistance. Add your name to our list by e-mailing marshallmustangorg@gmail.com. And please support the MMO through a family contribution during our annual Pledge Drive!

How Are We Funded? We are funded through family donations (Pledge Drive), corporate matches, fundraising activities, and corporate sponsorships.

How Are Funds Dispersed? The MMO provides supplemental grants to ALL MMS departments for resources that are not available through usual District funding sources.

What Kinds of Resources Are Provided by the MMO? The MMO provides funding for resources that enhance the educational experience and the learning environment of all students. Examples of resources that have been purchased with MMO funding include the following:

- Student planners for all Marshall students
- Student behavior presentations (for example, anti-bullying assemblies)
- Books/magazine subscriptions for the Marshall library
- Books, Publications, online subscriptions, maps, DVDs, and visual aids for various departments
- Robotic and computer supplies
- A Wellness Center where students can go to relax and de-stress
- Visiting author speakers
- Scripts for the Theater Department
- Physical Education equipment
- Science software and other science lab supplies
- Safety training and equipment to keep our students safe (Staff CPR training/AED machine)
- Choir concert funding
- 8th Grade Promotion
