Welcome Back, Marshall Mustangs! The Marshall Mustang Organization (MMO) needs you more than ever as it continues its commitment to providing resources and funding to all MMS departments where District funding falls short. Whether online or onsite, the MMO will use your donation to enhance the educational experience of all MMS students. In preparation for this school year, the MMO has already committed additional funds to ensure the online success of our students and teachers. In particular, a grant to our Visual and Performing Arts program will provide online music learning software, webcams for theater students, programs to enable virtual music performances, and supplies for all Art students. MMO funds will continue to be available to meet the needs of all of our students during these unique times.

All levels of support are appreciated and come with a Marshall Middle School magnet!

Please consider a donation of any amount to support your child’s education.
