Before the reports we listened to Saginaw County Road Commission Dan Armentrout about the upcoming County wide millage for roads . 2 mils for 6 years. Would generate \$1 17,000/yr for Brady Township. If not all spent within a year, it does not go away until spent. It can be used along with our matching funds from the County.

Mentioned that the overlay on Hemlock Road cost the County \$225,000 2 years ago. Estimated approximately \$250,000 today to grind, put back down & overlay (cap) a mile of road.

Reports:
