Board and Employee raises for 2021-2022

Suggested by Supervisor to do review of wages every 4 years

Roads

Public Comment:

Questions on why wage increases. Kienitz stated we have a good Board, Commissions and employees. We must keep reviewing our wage scale, to keep who we have now and incentive for new personnel down the road. Concerns that the work done on roads and the products used are not the best quality, we should reduce Budget for Salary/wages and increase Budget for roads.

Resident commented the Board should have let marijuana business in township. Wanted to know why we would not welcome the new business into township for more revenue.

Motion by Wenzlick support by Reeves to adjourn.

Motion Passed 5-0

Meeting Adjourned 8:10pm

Respectfully submitted
