

# Reception News

## 09.07.21

Dear Parents and Carers

We've had a very busy week in Reception this week. The children have been so excited to do some one to one work with their class teachers. They have been busy showing us their phonic knowledge and maths skills. We've been so impressed with the progress that many of the children have made and how hard they have all tried this week. Well done Reception!

Some children participated in our whole school art competition. We were extremely impressed with all of the entries. We saw such a range of brilliant photography from the children who entered. A winner for the EYFS category has now been chosen and you'll be hearing more about this next week. We also have our Art Week next week where we will ensure all of the photos are shown and give the children an opportunity to talk about their chosen photograph.

The children have also enjoyed participating in a range of Maths and Literacy activities relating to our current topic of the seaside. The children have been busy completing some seaside patterns, seaside addition and they've even been writing about some of the things that you would do at the beach.

### Next week:

- We will be having a Life Bus session, in the main school hall.
- We will be sharing the children's art competition photographs.
- We will be participating in a range of art related activities.
- The children will be meeting their Year 1 teachers in school on Wednesday morning during 'Little Swap'.

### Reminders:

- We have now finished our bookmark words for this term and, therefore, the children will no longer be bringing a new bookmark home.
- We will be collecting the children's Reading Record in on Wednesday 14<sup>th</sup> July for the final time. We will then hand these up to the Year 1 teachers. We will, however, continue to change the children's school reading books up until Monday 19<sup>th</sup> July.

We hope you have a lovely weekend,  
Mrs Ford, Mrs Hall and all of the Reception Team.
