TRAVEL TOKYO

As we approach the end of the Summer Term we are getting closer to the opening ceremony for the Olympics 2020. Many of you have been logging your activity with the Travel to Tokyo challenge and we are so pleased to see how active you are. The total active time logged so far is 3567 hours and 10 minutes! As a school we have travelled 147, 395km! Well done.

Year 1 have managed to reach Tokyo already and travelled a whopping 50, 591 km in the process! Year 4 are the top KS2 team, having travelled 42, 649km, and only have 4, 700km to go to get to Tokyo.

All the activities will be available over the Summer Holidays so don't give up yet. Check out <https://www.getset.co.uk/travel-tokyo/active-challenges> for plenty of ideas.

DARE TO BE DIFFERENT

TUESDAY 20TH JULY

50P PER DARE

- Wear non-school shoes
- Enjoy crisps in your lunchbox
- Wear bright, odd socks
- Wear a silly hat
- Shirt untucked all day
- Be a superhero and wear a cape
- Bring one fidget toy

SCHOOL UNIFORM MUST BE WORN

The Local Education Authority have advised schools that current arrangements should remain until the end of term for those that break up after the 19th July. This means that we will be maintaining the bubble system until the end of term including mitigations for the spread of COVID including the wearing of masks for staff in and around school and communal areas. We have worked hard to get this far in successfully reducing the spread of COVID so we want to continue to protect children, staff and families and especially those families who may have exciting plans for the start of the holidays.

Further details will follow for the start of the Autumn Term, but in the meantime, we ask families for your continued support to get us through to the end of the term including an encouragement for parents to wear face masks at drop-off and pick up times from Monday.

STARS OF THE WEEK

Nursery – Albert and Alex
RH – Morgan and Willow
RF – Avneet and Jesse
1C – Jackson and Prithi
1KR – George and Annie
