

## Robertswood Nursery News 2.11.18

Dear Parents and Carers

Welcome back everyone, we hope you all had a nice break. The children have come back to nursery really well and have been very excited to tell us all about the things they got up to during their holiday.

This week we have learnt a little bit about Diwali and we have been very busy making some diva lamps. The children have enjoyed using the clay and we have been really impressed how they have been able to manipulate the clay to make their little pot to hold the candle. They have been able to choose how they wanted to decorate their lamp so each one is unique. Well done nursery!

Outside the children have once again enjoyed the messy play activities and have had lots of fun mixing the different colour paints together using the big brushes. The children have been very excited to explore the little house outside which has been made into a little discovery area. They have enjoyed using the binoculars and magnifying glasses to look for bugs.

We went over to the big school for P.E. and the children were very excited to use the apparatus, they especially liked climbing on the monkey ropes. The children were able to demonstrate really good climbing, jumping and balancing skills.

We will be going to the library next week so please can you return any library books you may have at home.

### Next week:

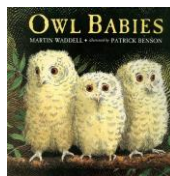

Our book of the week will be 'Owl Babies'

Our colour of the week will be 'orange'

Our number of the week will be '6'

Recapping the shapes learnt so far

We will also be talking about size and using language such as big, small, biggest, smallest.

Please don't forget to label your child's coat, hat and gloves.

Please can you also remember to leave your child at the door as the cloakroom gets really busy. Please don't forget that next Wednesday the children will be having their school photograph taken.

We would like to wish you all a lovely weekend.

The Nursery Team.
