Dear Parents and Carers

The children have had a very busy week this week. All week the children have been working hard on our Nativity performance. Everyday they have been on the stage and have rehearsed their lines and the songs. During some rehearsals the Nursery children have joined us and we have been impressed with how supportive of them the Reception children have been. We can't wait to show you our performance next week!

In Mathematics the children have been consolidating all of their learning this term. We have been impressed to see children using the skills they have been taught to help them with numbers, shapes and patterns. We have also been working with the children 1:1 and have been pleased to see that some children have made good progress. Well done Reception!

In Literacy we have been continuing to think about Nursery Rhymes. All of the children have now written letters from Humpty Dumpty, either asking for help from The Kings Men or thanking them for putting him back together.

Next week:

- We will be performing our Nativity to our special guests from Audley Dene, as well as to the rest of the school and to parents!
- Our book of the week will be 'The Jolly Christmas Postman' although we will be sharing lots of books about Christmas all week.
- **GREEN and BLUE group** will be doing 'Show and Tell'

Reminders:

- Don't forget about our Christmas Fun Night tonight. We will be selling Christmas decorations made by your children in the middle shared area for £1 to help raise money for the school. Please do come along and see us!

At home:

This week at home you could ...

- Remember to read 5 times and to do some Reading Eggs too.
- Look at your bookmark words and letter sounds with your children to help them to learn them. We are so proud of the progress lots of the children have already made.
- Write a Christmas list with your children, or write some Christmas cards.

We hope you have a lovely weekend,

Mrs Dodds, Mrs Hall and all of the Reception Team.
