Thank you to everybody for wearing a mask in and around school. However, there does seem to be a slight reduction in the number of masks being worn. Now that all year groups are back in school, can I remind parents that most of the drop-off points contain children from multiple bubbles and, therefore, wearing of a mask is especially important. With the news yesterday that next week we will be moving from lockdown to Tier 2, again, please adhere to the guidance.

We have come too far to start relaxing our combined efforts in reducing the spread. I do appreciate that there are those parents who are not required to wear a mask but could I ask you to display the reason prominently (usually in the form of a lanyard), so that other members of our community are aware.

Thank you for your co-operation.
