Thursday 28th March – 3.45pm – 6.30pm

Wednesday 3rd April – 4.45pm – 8.00pm

Please follow the steps below to make your appointment.

Log onto

<https://robertswood.parentsevening.system.co.uk>

You will be asked to enter the following

- a. Your Details; Title, First name, Surname, email address (the one you have given the school)**
- b. Child's Details; First name, Surname, Date of Birth**
- c. Click on "Log & Continue"**

You will then see a list of the evenings available. Select the evening for which you want to make an appointment by clicking on the green tick and "continue". You will then be able to see the appointments available and book a slot. You should then receive an email confirming your appointment. Appointments for Mrs Chaplin, our SENCO can be made via the office. If you have more than one child you will only need to log in with one child's details. The system will recognize that you have more than one child and list your other children when you click on the evening you have selected.

Tuesday 26th March is National Epilepsy Awareness Day. To support this initiative we are asking the children to wear non-school uniform with some item of purple. Please bring in £1 to take part and raise money for the Epilepsy Society.

Information

Robertswood School is now set up as a crisp packet recycling station. This is through an organisation called 'Terracycle', who will collect boxes of crisp packets from us when we call them. It's not only for packed lunch crisp packets, but you can bring all your crisp packets (**empty and flat please**) from home as well. The new bins will be with the Walk To School children every morning outside the hall.

We are also collecting bottle tops to make artwork next term. The third bin is for water bottles (squashed down), although this is only to avoid them going in the rubbish bins at school. This small bin cannot cope with hundreds of water bottles, so preferably, children should have a fully reusable water bottle in school. If you are using a disposable one, please try to re-use it a few times, then take it home to recycle. If need be, this bin is available, but please squash the bottles first.

Thank you for your support.

The Eco Warrior Team
