

## Robertswood Nursery News

02.07.21

Dear Parents and Carers

This week the children enjoyed listening to the story 'What the Ladybird Heard at the Seaside'. After the story the children had the opportunity to talk about their own experiences that they have had at the seaside.

We also looked at a short presentation on the Interactive Whiteboard called 'What Can You See?' The children had a go at guessing all the objects through the binoculars. We were all very impressed with how many items they could name. One of the items was a Lifeboat which sparked lots of conversation about what the Lifeboat is used for and the people that volunteer and work on the boat and how can they can help people If they are in trouble.

The children have also enjoyed exploring our beach scene. They have looked at all the different sized shells using the magnifying glasses and we even had some seaweed that one of the children brought in from their trip to the seaside at the weekend. Great exploring nursery!

We are very lucky in nursery, we have got a nice new non-slip decking area for our construction area outside. The decking area is much bigger so the children have enjoyed exploring this and have been able to make bigger roads and buildings. Great work nursery!

The caterpillars have now turned into beautiful butterflies and the children have enjoyed observing them. They are all getting very excited to set them free next week.

### Next Week

Our book of the week will be 'Commotion in the Ocean'

We will be learning a little bit about how we can keep our oceans clean and safe.

We will continue learning our Phase 2 sounds

We will continue learning our numbers and shapes.

We hope you all have a lovely weekend

Mrs Everett and the Nursery Team.
