

Robertswood Nursery News 03.05.19

Dear Parents and Carers

Welcome back to everyone that we did not see at the end of last week. We hope you all had a lovely relaxing Easter break.

This week the children have been very excited to learn all about the different minibeasts. We looked at them on the interactive whiteboard and then we went outside to see if we could find any of them. They enjoyed using the binoculars and magnifying glasses to help them see and study them closely making sure that we did not disturb them too much.

We have also been learning all about making patterns. The children made their very own two colour pattern caterpillar using a caterpillar template and some bobbles. We were very impressed with all of their work. We also made a people and an action pattern and we even learnt a pattern song. Well done nursery!

The children all love playing on our new grass outside. We would like to take this opportunity to say a really big thank you to the Chalfont Feast Day for their kind contribution which enabled us to have the artificial grass for the nursery.

Next week:

We will be doing P.E. on Tuesday and we will be going to the Library on Wednesday.

Our book of the week will be: **'Spinderella'**

Our colour of the week will be 'Black'

We will be continuing learning about pattern and our topic of minibeasts.

We would like to wish you all a lovely weekend.

Mrs Everett and the Nursery Team.
