Dear Parents and Carers

This week the children enjoyed listening to the story of the 'Snail and the Whale'. The children loved this book and quite a few of them said that they had this book at home. We also watched the story on the IWB. The children listened to the story really well and afterwards we talked about how lovely it was for the Snail to help save the Whale.

We have continued to learn Phase 2 sounds. The children are getting really good at thinking of different words that begin with the same sound and they are all getting really good at remembering the actions. Great work nursery!

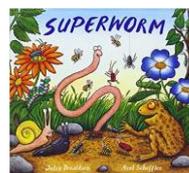

Outside the children have been busy building roads and enclosures using the big blocks. The sand has also been very popular where we have had lots of cakes and Ice creams being made. If only they were real!

This week during P.E. the children had to keep their feet really still as if they were stuck to the ground. They then had to pretend that they were birds in a tree. They moved their bodies in different directions making sure not to move their feet. We were really impressed with their stability and balance. Excellent work nursery!

Parents evening has now finished. Thank you so much to all the parents that signed up for an appointment. It was so lovely to talk to you all. I am so proud of every single child that attends nursery, they are all so happy and love learning and they have all made such progress. Amazing children!

Next Week

Our book of the week will be 'Superworm'.
We will continue learning our Phase 2 sounds.
We will continue learning our numbers and shapes.
We will be learning about longer and shorter.

We hope you all have a lovely weekend

Mrs Everett and the Nursery Team.
