

## Robertswood Nursery News

09.07.21

Dear Parents and Carers

This week the children enjoyed listening to the story 'Commotion in the Ocean'. They all listened really well and later in the day we watched the online version of the story as well. We talked about all the different sea creatures that they could see and they all had the opportunity to explore the sea creatures in the water and make their own sea creature using the playdough.

The next day I asked the children if they have ever had a picnic at the seaside and a lot of the children put their hands up. I then asked what do you do with all your rubbish. This opened up a lot of conversation about what could happen and how dangerous it is to leave any rubbish around especially where there are lots of wildlife or sea life animals. We watched a lovely story about a whale who collected all the rubbish from the ocean in a big net but the whale found so much rubbish that he could not get to the surface of the water but, luckily his friends came to the rescue and pushed him up. The children loved this story and they all understood that if we do not put our rubbish in the bin or recycle all the plastic bags and bottles that all the animals will be in great danger. Well done nursery!

The children were very excited to set the butterflies free and we all watched them fly away. We think that maybe one of them came back to visit us when we found him in the classroom so we said hello and put him back outside.

During P.E. this week the children enjoyed practising their ball passing skills and we were all very impressed. The children also had the opportunity to use the hockey sticks, bean bags, hula hoops and net ball. They all really enjoyed joining in with all the different activities. Fantastic work nursery!

### Next Week

We have a very exciting week ahead – We have our visit to the Life Bus on Monday morning and Wednesday afternoon.

The Reception teachers will be visiting the children on Wednesday to introduce themselves.

We have Art week and will be doing lots of different art and craft activities.

Our books of the week will be 'The Rainbow Fish'.

Please don't forget if you can to pay the voluntary contribution to the Life Bus of £4.50

We hope you all have a lovely weekend.

Mrs Everett and the Nursery Team.
