

Robertswood Nursery News 10.05.19

Dear Parents and Carers

We have been really busy in nursery this week. We have been learning all about spiders. The children enjoyed listening to the story of 'Spinderella' and how Spinderella wanted so much to learn all about numbers. We have been doing lots of counting and we even helped Spinderella to count the football team from the story.

The children were very excited to make their spider cakes. We mixed all the ingredients together. The children demonstrated great control when spooning their mixture into their cake case. They all waited patiently while they baked in the oven and when they had cooled down they were able to decorate them. They counted out the spider legs and stuck on chocolate drops and smarties for the eyes.

The children enjoyed their visit to the library. They all walked sensibly to and from the library and chose their book independently. Well done nursery!

Please don't forget to return them next week so they can choose a different book.

We also went over to the big field with the Reception classes to practise for our Nursery and Reception fun morning. We were all impressed how the children joined in all the activities, encouraging one another and working as a team. Great work everyone.

Next week:

Our book of the week will be: '**SuperWorm**'

Our colour of the week will be '**Brown** and **Pink**'

We will be learning about Worms and how to make a Wormery

Please can you also send your child into nursery with an adult sized sock as we are going to be making worms. Please can you also bring in any newspaper that you may have.

We would like to wish you all a lovely weekend.

The Nursery Team.
