Dear Parents and Carers

This week our book of the week was 'Port Side Pirates'. The children really enjoyed joining in with the repeated refrains and the actions. We had lots of fun learning a new pirate song and thinking of words that rhyme with numbers one to ten 'When I was one I sucked my thumb the day I went to sea..... Lovely singing nursery!

We have been very busy doing lots of different pirate activities. The children made an amazing ship using the big blocks for the pirates to sail around the world. We made treasure maps, pirate hats and pirate colouring.

The children braved the rain on Wednesday for our treasure hunt. They put on their Pirate hats that they had made the day before and off we went outside to look for the treasure hidden around the garden. The children found treasure with numbers and phonic sounds and before they put them into the treasure box they told me the number or the sound that was on their coin. They were really good at recognising the numbers and the sounds. We all had so much fun even though our Pirate hats got really wet. Fantastic work nursery!

During our small group times we have been doing lots of singing, counting, sharing and looking at books. We have all had so much fun!

We have continued to practise our sounds and the actions during our phonics lessons and they are getting really good at saying the sounds and thinking of words that begin with the same sound. Great work nursery, I think you are all amazing!
