Dear Parents and Carers

We have had a lovely week in nursery. The children really enjoyed going to the big school for our Life Bus session. They had lots of fun meeting Harold the Giraffe and telling him about all the things that they do while they are at nursery. They learnt how important it is to eat healthy food and to exercise and to get plenty of sleep. The children also enjoyed joining in with the singing and the dancing. Great work nursery!

Our book of the week was 'Rainbow Fish,' it is all about friendship and sharing. The children really enjoyed this story and afterwards we decorated our very own Rainbow Fish to celebrate art week. The children worked really well as a team and they were very excited to put their work up on the wall. We also have been very busy doing lots of different creative things and we were all very impressed with all the children's work especially the Jelly Fish. Amazing work!

The weather has been much better this week so the children have been very busy outside exploring the water and the sand and we have had lots of fun in the mud kitchen. The children have also enjoyed serving behind the counter at our Ice Cream shop and washing our little house. Well done nursery!

We have only three days left at nursery next week and although I am looking forward to the holidays the time is getting close to saying goodbye to everyone which makes me feel sad and happy at the same time, sad to say goodbye to all the children and yourselves one last time at the door but happy to see how they have all grown and have become so much more confident. I am so very proud of all the children and how resilient they have all been through this difficult year. They have been such wonderful children and I am going to miss them all. I would like to thank you for all your support over the past year and that you all have a happy and, well deserved summer holiday and let us all hope that next year will be a better one for us all. Please make sure that if you have the time that you come and visit us in nursery.
