Dear Parents and Carers

This week the children have had lots of fun doing lots of different craft activities. They have enjoyed colouring, cutting and sticking and we have all been impressed with how the children's cutting skills have improved. Such clever children!

The children have been busy making paper chains to decorate our classroom and snowflakes to put on our windows.

The role play post office has been very busy again where the children have been sending lots of parcels to their friends and letters and cards to Santa Claus and our large post box is getting very full.

On Wednesday the children were very excited to wear their party clothes for our Christmas party. I must say they all looked beautiful. They all enjoyed playing games especially musical statues, but most of all the children enjoyed eating the party food and chatting with their friends, it was really lovely. Well done nursery!

We have had a different Christmas story each day and the children especially enjoyed the 'Dear Santa' story. The children were very excited to lift the flaps on the pages to reveal what presents were behind it.

A big thank you

We would like to say a big thank you for all the lovely gifts you have given us we have been very spoilt.

We would also like to say thank you for your massive generosity in purchasing the items from our wish list. The children will love exploring these items in the new year. They will also love using the book shelf which will allow them to see the books more clearly and enabling them to access the books independently.

We hope that you all have a really happy and restful Christmas and let's hope that next year will be a happy and safe one. We look forward to seeing you all on Tuesday 5th January 2021

Mrs Everett and the Nursery Team.
