Dear Parents and Carers

This week we have been very busy practising our Summer Fair dance. The children have really impressed us with how quickly they have started to pick up the moves and how determined they are to learn it in time. On Thursday the children showed their dance to the rest of the school and also sat nicely whilst watching the rest of the school perform their dances. We are excited to show you tomorrow (Saturday 6th) at the Summer Fair, we will be performing at 12.45pm and would love to see the children dressed in sea colours (Blue, Green, White etc.) at 12.30pm to get ready to dance.

The real highlight this week was our Sports Fun Morning! We were so proud of the children and their fantastic determination and sportsmanship throughout the morning. We hope that you all enjoyed watching the children demonstrate all of the fun challenges! We would like to say a huge thank you to you all for your very kind donations of cakes and sponsorship money. Your support has been fantastic and we really are truly grateful.

This week the children have had lots of fun participating in Art Week. We have listened carefully to the importance of recycling and talked a lot about why we are making an Ecobrick. The children then carefully put the plastic inside their brick to help to contribute to the whole school project. The ecobricks will be displayed at the Summer Fair for you all to see. We have also enjoyed completing a range of other art related activities. Well done Reception!

Mrs Hall's class now have two stick insects. The children have named them 'Cherry' and 'Sticky' and are doing a fantastic job of looking after them by giving them fresh bramble and ivy leaves every day.

Next week:

- In Literacy we will be reading the story of 'Sharing a Shell' by Julia Donaldson
- In Maths we will be consolidating all of our learning from throughout the year
- Our last 'Show and Tell' of the year will be for Blue and Green groups.

Reminders:

On Wednesday we will be going to Willows Farm on our school trip. Thank you to everyone who has returned their permission slips, if you have not done so already please can we have these as soon as possible.

At home:

This week at home you could ...

- Be creative and try making your own Ecobrick

We hope you have a lovely weekend

Mrs Dodds, Mrs Hall and all of the Reception Team.
