Pupil Premium Action Plan 2020-21	
Barriers to future attainment for PPG eligible pupils at our school (taken from individual needs analysis forms)	
A	Low attainment and slow progress rates made by pupil premium/disadvantaged children. The children have gaps and misconceptions and find it difficult to retain/recall prior knowledge and maintain focus on tasks
B	Pupils and their families have social & emotional difficulties, including medical and mental health issues.
C	Low attendance and persistent absenteeism of PP/disadvantaged children
D	Some pupils need to develop their organisational skills, resilience and determination. In addition, many children rely and adult support in class and are reluctant to 'have a go' due to fear of failure.

ADDITIONAL PRIORITIES/INITIATIVE
School leaders are committed to ensuring our disadvantaged pupils receive teaching which is at least good in every lesson and that 'fallen behind' disadvantaged children receive intervention and support every day in every classroom.

Desired outcome and how measured	Success Criteria
<p>A</p> <p>Disadvantaged pupils maintain at least the standard of attainment they achieved at the end of the previous year (Reading, Writing and Maths) and previous key stage; those who have 'fallen behind' make accelerated progress and 'catch up' or exceed prior attainment standards.</p> <p>To ensure all pupils are given the opportunity to consolidate basic skills.</p> <p>To ensure fallen behind children receive targeted high-quality intervention.</p> <p>To embed and sustain a reading culture that's ensures all pupils read regularly and develop a love of books.</p> <p>Pupils read regularly and have access to high quality books for personal and guided reading.</p>	<ul style="list-style-type: none"> <li>- All disadvantaged children make expected progress (eg. Expected to expected or greater depth to greater depth) from previous data set taken in February 2020</li> <li>- Pupils will have regular/weekly opportunities to rehearse, practice and consolidate key skills in reading, spelling, handwriting and mental and written arithmetic.</li> <li>- Support staff and class teachers support learning effectively – addressing misconceptions ASAP in preparation for lessons.</li> <li>- Additional intervention sessions will take place – based on gaps in learning and with reference to previous key stage result.</li> <li>- New books to be bought for the colour-coded system.</li> </ul>
<p>B</p> <p>Pupils have a breadth of experiences that enable them to contextualize their learning. School will deliver an engaging, broad and varied curriculum. School to provide children with access to technology which they cannot access at home.</p>	<ul style="list-style-type: none"> <li>- Teachers and support staff will plan a wide range of learning experiences to inspire/enhance learning and make it memorable underpinned by skills builder.</li> <li>- Children will be exposed to a wide range of social, cultural, enrichment and sporting experiences within (and outside) the school day.</li> <li>- Children are given opportunities to change their reading book each day.</li> </ul>

C	All disadvantaged pupils will meet national expectations for attendance/persistent absence.	<ul style="list-style-type: none"> <li>- Disadvantaged pupils will close the gap on match or exceed national averages. (5.7 overall and 16.5% for persistent respectively)</li> <li>- Monitoring of attendance by Head teacher brings about and increase in PP pupils' attendance and a decrease in persistent absence.</li> </ul>
D	Pupils will have good self-organisation skills, resilience and determination. Pupils will be able to work independently with confidence.	<ul style="list-style-type: none"> <li>- Lesson observations/learning walks and discussions with children show that they have appropriate aged self-organisation and are being encouraged to be independent by all staff.</li> <li>- Pupils show that they are resilient and able to learn from mistakes. Teachers are modelling this behaviour when they are 'thinking out loud.'</li> <li>- Support staff are used effectively to challenge and guide children without creating an over reliance on adult support.</li> </ul>

Every child receives teaching which is good and frequently outstanding in every classroom/ every day	<p>Robust 'teaching over time' monitoring schedule in place to ensure both high standards and expectations as well as a high level of consistency across the school.</p> <p>Regular monitoring of subjects by subject lead alongside SLT to ensure that teaching is good or better and that good/outstanding</p>	<p>As a school we have high expectations for all pupils and do not believe a disadvantaged background is reason not to achieve highly. Our socio-economic profile for each year group demonstrates the specific challenges of each year group which is known and recognised as a context for learning but not seen as a barrier to success.</p> <p>Teaching quality monitored over time against each cohort to establish the teaching and learning journey.</p> <p>Use of accurate data and knowledge of children to set challenging but achievable targets for all.</p> <p>TAs in every classroom in the morning with flexibility in some afternoons to deliver interventions.</p> <p>Curriculum time for teachers to lead their subject area.</p> <p>Lesson observations/book looks/learning walks by SLT and Subject leaders show increasing %s of outstanding practices seen. (40%)</p>		<p>Half termly monitoring schedule to be devised by SLT in Aut 1 and disseminated to subject leaders.</p>
