**Information About This Term's Work**

**Year 5**

**Spring Term 2022**

**Mrs Turner and Mr Lower**

Dear Parents & Carers,

Welcome to the Spring Term. This letter is to tell you about the regular class activities, expectations and work that is planned for this term.

The children are expected to organise themselves for their work and to have all the equipment (including a glue stick) they need for their lessons. A visual timetable is displayed on the classroom wall for the children to see.

P.E. is on Monday with children still coming into school in their kit. Swimming continues until the February half-term on a Tuesday and children may still come to school in PE kit. After half-term, our second PE slot will continue to be on Tuesday afternoon. Please note P.E. often takes place outdoors, therefore, children should have a pair of old tracksuit bottoms available, as well as P.E. socks.

Ukulele lessons are due to commence after February half-term. Details will be confirmed nearer the time.

Children may bring in a bottle of water (with a 'sports top' please) which they may use throughout the day.

Reading regularly with your child will help them to improve immensely. You can support their understanding by listening to them read a variety of genres and asking them questions to aid comprehension. Your child should read for approximately 20 minutes each evening. This can be independent or shared reading. Reading records should be filled in at least five times a week and brought in weekly on **Thursdays**. Children must read their colour-coded book each week (this should be in school every day) and in addition, may also read other books of their choice, all of which should be recorded in the record book.

As we are currently studying the work of **Michael Morpurgo**, we would like to encourage all children in Year 5 to read books by this author, including the one they were given at Christmas. Not only does he write great stories but his use of vocabulary and grammar link ideally with many Year 5 objectives.

Homework will be sent out on a **Thursday** and is due in on the following **Tuesday**. Children will be given English and Maths and spelling homework. Every half-term your child will receive one Brain Builder homework. Brain Builders are creative/research type tasks which encourage children to think in different ways. We expect the children to display their work in an imaginative and creative way. Although we encourage the use of the Internet for research, we do not want to see work merely *copied and pasted* from websites.

#### How You Can Help Your Child At Home.

Please monitor what your child reads and support the completion of their homework. Presentation of homework should always be of a high standard. Please encourage your child to take care over their presentation.

Help your child to learn and practise their times tables and test them frequently.

Encourage your child to research topics of interest in books or on the computer.

Encourage the use of educational programs on the computer including Espresso using the free school login. Put 'Espresso login' into your internet browser and key in:

Username: student6119            lower case, no spaces

Password: Robertswood            capital letter needed

The work we are covering this term includes:

### **English**

We will be developing reading and writing skills based around the following:

- Kensuke's Kingdom by Michael Morpurgo
- Cross-curricular work following our trip to the Isle of Wight after February half-term.

### **Maths**

We will be focusing on multiplication, division, fractions, decimals and percentages. Alongside this, we will be continuing with the 99 Club weekly times tables challenge.

### **Science**

#### **Living things and their Habitats**

We will learn about the life cycles of flowering plants, asexually reproducing plants (such as potatoes and strawberries), birds, insects, some mammals plus the contribution of famous naturalists.

### **Computing**

We will be learning more about **Cloud computing**, and extending the children's awareness and understanding of **Databases**.

### **PE**

This term our P.E. units are football and tennis.

### **Geography**

The children will learn about Alaska and local geography linked to our Isle of Wight trip.

### **Art**

In Art we will be painting and exploring collage. Children will:

- Develop control of painting and collage tools and techniques.
- Blend and match colours using acrylics.
- Investigate visual and tactile materials.

### **DT**

The children will:

- Develop understanding of moving mechanisms in toys such as cams.
- Develop techniques such as drawing and using tools.
- Design, make and evaluate a moving toy.

### **PSHE**

We will be covering the units **Rules, Rights and Responsibilities, Caring for the Environment and Money**. We will be visiting the Life Bus to support our PSHE learning.

### **Music**

As mentioned above, Ukulele lessons are due to commence after February half-term. Details will be confirmed nearer the time.

### **R.E**

The children will consider **Places of Worship** and **Faith Leaders**.

### **French**

In French the children will learn about **Family and Friends** as well as **Food and Drink**.

Parent consultations will be held on:

Wednesday 16<sup>th</sup> March 2022

Thursday 17<sup>th</sup> March 2022

Wednesday 23<sup>rd</sup> March 2022

Thank you for taking the time to read this letter. Please do not hesitate to arrange an appointment to see us and discuss any concerns you may have about your child or their school work.

Yours sincerely,

Mrs Turner and Mr Lower
