ALASKA MARINE HIGHWAY

The Alaska Department of Transportation & Public Facilities' mission is to "Keep Alaska Moving through service and infrastructure!"

AMHS Mission, Organization & Culture

The mission of the Alaska Marine Highway System is to provide safe, reliable, and efficient marine transportation service that consistently exceeds the expectations of our communities, customers, and employees within Alaska and the 'Lower 48'; providing opportunities to develop and maintain standards of living and high quality of life, including social, education and health needs.

We believe collaboration, communication, and coordination to increase our ability to succeed. We create teams and relationships that are focused on results, working together, and leveraging resources across our department, community and private sector partnerships; increasing our ability to accomplish our mission.

Our Values

Our core values are integrity, excellence, and respect. We support an environment focused on teamwork and operational excellence to achieve results. We succeed in achieving our transportation mission through building credibility and open communication channels with our customers, stakeholders, and the public.

Our Benefits

The opportunity to work with fun, talented, hard-working, and dedicated professionals who support each other daily. You will have the opportunity to explore varied career paths with AMHS. The State of Alaska offers a generous benefits package and an excellent retirement plan if you decide to advance your career to a full-time position.
