

Street Curb Painting

3 Locations "Visitor Only" Parking

On Wednesday, November 1st (Thursday is Trash & Recycle) & Friday, November 3rd Double M Striping will be repainting the ugly destroyed curbs we were left with --- red curbs with *FIRE LANE TOW AWAY ZONE*. Double M Striping will also be painting white stripes to create the parking stalls as well as "*Visitor's Only*" on the asphalt for Visitors who are allowed to park with a Visitor Permit on their dash board.

Visitor Permits will be made available to you for printing from your personal computer for each time a guest parks in the *Visitor's Only* area. The homeowner's name & Unit # and date must be displayed on the permit. (SEE ATTACHED DOCUMENT)

There will be a handicap stall in each of the 3 locations.
