Board of Directors Meeting – 6:30pm

Call meeting to order

A quorum was noted

Meeting was held to discuss retaining an attorney to develop a lease permit system.

*To protect the resale value of homes within The Preserve and establish a system to document contact information and lease provisions for all leasing unit owners and their tenants, the Board unanimously voted to hire an attorney to prepare a leasing permit system for the community. The Board expects to have the leasing permit system developed by the end of the year.*
