

## July 10th Meetings Notes

Board of Directors in attendance were: Helen Tate, Rex Henry & Nitin Kumar.

\* First on the agenda was accepting the resignation of Treasurer Tarun Singhal. He stated in his email that he could no longer devote his time on the board as he had a new position within his company that has him traveling more than usual.

\* Helen Tate advised the board would begin interviewing for the Treasurer's position. Board members were asked to consider homeowners that had "finance experience".

\* Nitin Kumar asked those in attendance "what would you want the board to do next?"

\* The biggest concern, of course, is the gates. We don't have money for gates!
