Definitions

1. A **"Conflict of Interest"** is any circumstance described in Part 1 of this Policy.
2. An **"Interested Person"** is any person serving as an officer, or member of the Board of Directors of CLCCA or anyone else who is in a position of control over CLCCA who has a personal interest that is in conflict with the interests of CLCCA.
3. A **"Family Member"** is a spouse, parent, child or spouse of a child, brother, sister, or spouse of a brother or sister, of an interested person.

5. A **"Contract or Transaction"** is any agreement or relationship involving the sale or purchase of goods or services, the providing or receipt of a loan or grant, the establishment of any other type of financial relationship, or the exercise of control over another organization. The making of a gift to CLCCA is not a Contract or Transaction.

Conflict of Interest Defined. In this policy, a person with a conflict of interest is referred to as an "interested person." For purposes of this policy, the following circumstances shall be deemed to create a Conflict of Interest:

1. A director, officer, or volunteer, including a board member (or family member of any of the foregoing) is a party to a contract, or involved in a transaction with CLCCA for goods or services.

All such circumstances should be disclosed to the board or staff, as appropriate, and a decision made as to what course of action

the organization or individuals should take so that the best interests of the nonprofit are not compromised by the personal interests of stakeholders in the nonprofit.

- Gifts, Gratuities and Entertainment. Accepting gifts, entertainment or other favors from individuals or entities can also result in a conflict or duality of interest when the party providing the gift/entertainment/favor does so under circumstances where it might be inferred that such action was intended to influence or possibly would influence the interested person in the performance of his or her duties. This does not preclude the acceptance of items of nominal or insignificant value or entertainment of nominal or insignificant value which are not related to any particular transaction or activity of CLCCA

Procedures

Such disclosure shall be made as soon as the Conflict of Interest is known to the Interested Person. The Interested Person shall refrain from any action that may affect CLCCA's participation in such Contract or Transaction.

In the event it is not entirely clear that a Conflict of Interest exists, the individual with the potential conflict shall disclose the circumstances to his or her supervisor, the President, the Committee Chair or the Chair's designee, who shall determine whether full board
