Re: 2025 PRIMA National Conference

CORSA would like to express support, as we have in the past, for the County Loss Control Coordinators Association in their effort to control losses within the counties. CLCCA does an excellent job of assisting counties in their effort to establish and strengthen loss control programs which reduce the county's costs and provide a safer workplace for county employees.

Over the past several years, CORSA has paid for you to be a member of PRIMA, a national public entity risk management association which offers members current information relevant to Ohio counties as well as the opportunity to network with public risk management professionals across the state and country.

This year the National PRIMA Conference is in Seattle, WA Sunday June 1st through Wednesday June 4th. This is a premier conference which offers you an opportunity to attend four days of seminars conducted by national experts. Your county can benefit by your attending this conference in two ways: 1) by bringing back proven loss control strategies to save your county money, and 2) access to national experts and public risk management professionals who can provide solutions for the risk management challenges facing your county.

CORSA recognizes the exceptional quality of this national conference and benefit to your county of having you attend a conference of this caliber. For this reason, **CORSA will pay the PRIMA national conference registration fee for one person from each CORSA county who is also a 2024/25 member of CLCCA, up to a total of \$725 per county.** The county will be responsible for travel, hotel, and any meals not included with the registration.

As a PRIMA member, you should receive conference registration materials directly. Conference information is also available on the PRIMA web site.

<https://conference.primacentral.org/2025/index.cfm>

Once your Commissioners have approved your conference attendance, send CORSA a letter from your Commissioners indicating that you will be attending the PRIMA national conference, as well as the name and phone number of an emergency contact, and we will register you for the PRIMA national conference. We will need this information from you no later than April 1, 2025, in order to pay your registration fee. All correspondence with regard to the PRIMA conference should be directed to Ali Redmond: aredmond@ccao.org.

Please do not hesitate to call if you have any questions about the 2025 PRIMA conference.
